

How can I easily buy a theme certificate?

You can easily purchase our theme certificates via your house bank or broker.

All you need is a share deposit account

1. You inform your house bank / broker of the corresponding ISIN number or enter the ISIN number in your online banking system
2. The custodian institution then forwards the buy or sell order to the stock exchange
3. The product is then booked directly into your custody account

Securities account

Open a securities account with any bank or broker

«MC Global High Dividend»
ISIN: CH0566786171

Inform your bank/broker of the **ISIN number** or enter the **ISIN number** in online banking
